

# TRANSFORMATIVE WORKSHOPS + ONENESS MEDITATION with MONIKA FITOS

11-16th September, 2015  
Orizon Center for Life & Creation

## 6 pm to 9.30 pm on Friday 11th September **Breakthrough In The Inner and The Outer World**

What should we do inside ourselves to have a real breakthrough outside? Which situations, events, relationships in the outer world signal us the need of change in our inner world? How can we shape our inner and outer world? What to do for a breakthrough in both of them? You will get a lot of practical help, wonderful OM, deep healing and transformative process, home sadhana... all have one focus: to break down those walls which until now stood still and were not touched by the winds of change.

## 6 pm to 10.00 pm on Saturday 12th September **Whose Life Are You Living?**

You might have asked yourself: Is this my life? Is that all? Is this surely my path? If it seems you do not live your own life, there are too many limitations, the relationships, the situations you come across pull you down... cannot achieve what you want... you can't fly? This series of programs touches all the areas that limit you to connect to your own life, your destiny, your path. Wonderful exercises, Oneness Meditations, intense energy field covers the area of karma and past lives, cleans the realm of ancestors, male and female generations, dissolves the charges in your time in the womb and birth, and liberates you from your Fundamental Childhood Decisions in the first 6 years of your life. Transformation and liberation to create our own reality, become fulfilled and complete.

## 6 pm to 9.30 pm on Sunday 13th September **The Power of Creation: Create new life for yourself & your country**

In this program, we fill in the cup that we have emptied in the previous processes. We learn about the Golden Rules of creation, we get a lot of practical help in our everyday life, how to create the life, the future, the way our heart wants it to be. We go through a powerful creation process, with all the ancient methods that are activating our power of creation. We also pay a visit in the future, just to make sure it takes those turns we are longing for. During the Oneness Meditation, our own Divine is giving an enormous blessing on the life that we have already shaped and makes sure all the needed help, coincidences, lucky events are flooding into that reality, which is our dream life!

## 7 pm on Monday 14th September **Red Tent for Women - Turbo advanced 4baskets process**

This program, our defying period of life gets cleaned. Our conception, period in womb, birth and time after birth... all our programs, blueprint, patterns are cleaned and healed by the Divine Mother. After this overwhelming process, we get Grace by Oneness Meditation to strengthen this beautiful process. The Red Tent program takes place **at Joelle's Yurt** at Paidochori.

Greek translation will be available.

Contribution to each program is 30 Euro.  
You are welcome to spend the complete program with us or only attend the days you wish.  
Individual Therapy Sessions with Monika are available on 16th September.
